

NETAFIM STAINLESS STEEL CLAMPS (COBRA CLAMPS)

APPLICATIONS

Suitable for use in dripperline and LDPE to Barb fittings.

FEATURES & BENEFITS

- Bolt-free clip in one piece
- Quick, easy and safe installation
- Maintenance free fit

KEY:

1. Self-adjusting diameter – compensation for tolerances at outer diameter of hose
2. Bead – secure band guidance
3. Colour coding – a rapid way of distinguishing between nominal diameters
4. Protruding tool gripping points – easy and safe installation
5. Single lock-in point – installation indicator for easy visual checking
6. Band material with rounded outer edges – dripperline/hose protection

CHT2 CLAMP

SAP NUMBER: 45000-002360
