

IOM file-name: xxxxxxxxxxxx

Standard Parts

- a. Float actuated, differential-level control pilot-valve, model 70-550
- b. Pressure-sustaining 3w pilot-valve, model 311SD
- c. Self-Flushing, inline control-filter
- d. Isolation ball-valve
- e. SY3 – 3-pos selector valve (SY6 for 6" \ 150mm)
- f. Pressure-gauge

Notes

- SF filter-size ($\frac{1}{4}$ " or $\frac{1}{2}$ ") according to the size of the valve's body-port
